DG Ritter Report on USA/Canada Forum

CRaP – the acronym for Conservation, Recycling and Planting. A way to remember the three aspects of environmental activities that Lions are involved in. One of the ‘tidbits’ I picked up attending the USA / Canada Forum in Anchorage, Alaska last week, which was a great place to learn a little more of the many facets of Lion-ism.

There were only seven time slots for the sixty-two seminars, so choosing was a challenge. The schedule was so full, pre-forum seminars were offered as well as the four plenary sessions included with the meals.

I attended a seminar that described our partnerships with The National Eye Health Education Program (NEHEP) and National Eye Institute/National Institutes of Health. This is what we know as LEHP.

I also attended the session on Diabetes Awareness. (JoAnne Blos is our 7-L chairperson for both programs.) We can help, at the club level, by sponsoring health fairs, and encouraging diabetics to get annual eye exams.

I encourage you all to take advantage of these forums, as well as the smaller regional leadership institutes and the many on-line ‘webinars’. <http://www.lionsclubs.org/EN/member-center/leadership-development/development-programs/webinars.php>

Lion Ronnie and I were the only attendees from 7-L. Another two Arkansan Lion couples were from Little Rock (7-N) and Van Buren (7-I).

Our Lion year is already one-fourth over. Have you met one-fourth of your goals?

The international goal of planting a million trees is already a success. Two million planted so far, and more being reported daily.

I P Tam was in Alaska planting more ceremonially as well. He spoke at Saturday’s luncheon, as

well as a semi-private session with the governors present. He says planting trees must be easier than planting Lions, as only a few thousand new Lions were “planted” in this period.

A quote from President Tam - “Do not forget to nurture these trees for the next few years, to ensure their success”.

Nurture your new Lions until you know they are successful. “**Believe** that one person can make a difference. **Believe** that the entire world can be changed when we come together as Lions. **Believe** that changing life – or the world – starts with each one of us.”

We need both your membership and activity reports to get credit for our progress in improving and reaching our goals.

Our district convention and cabinet meeting will be in Bryant November 19th. Preliminary details are included below. Plan to attend. We hope you find it entertaining as well as educational. Therefore, worth your time!

Friday evening will be a ‘Dutch-treat’ informal ‘meet-and-greet’ with I D Cavallaro and his wife, Michelle.

Start reminding your club members to save the dates of January 28 for Mid-winter Forum in Clarksville and May 18-19 for the State Convention in Conway.

CLUB SECRETARIES –

Please Make sure your MMR's are done MONTHLY, even if there are no changes, just click the box that says “no changes” and submit.

If you do paper reports, please do those as well, even if there are no changes.

Please check to see that all information for ALL Club members, especially officers,

is up to date on the state website (www.arlions.com).

I am finding a lot of phone numbers that are no longer valid, and in some cases addresses, and a lot of e-mails that are incorrect. **Please check yours on the state directory and if it is incorrect, please let me know.**

International has also told me that they are getting Lions Magazines back because they were un-deliverable. As officers, etc, change, this is very important so that they can keep in contact.

In closing, on a sad note, our Lion has lost Richard (Dick) Gamms. Due to my travels to forums, I was unable to attend his memorial service. We mourn the loss of this special Lion, but are grateful for his many years of faithful service.

INTERNATIONAL DIRECTOR

James A. Cavallaro, from Springfield, Pennsylvania, USA, was elected to serve a two-year term as a director of The International Association of Lions Clubs at the association's

93rd International Convention, held in Sydney, Australia, June 28 to July 2, 2010.

Director Cavallaro is a retired health-care senior administrator.

A member of the Springfield Lions Club since 1979, he

JAMES A CAVALLARO

has held many offices within the association, including club president, zone chair, leadership chair, finance chair, vice district governor and district governor. He also served as State Protocol Chair, a Mission 30 leader and a district chair for Campaign SightFirst II.

In recognition of his service to the association he has received numerous awards including the 100% Club President Award, 100% District Governor Award, Pennsylvania Fellows Award, Membership Award, International President's Certificates of Appreciation, an International President's Leadership Award and an International President's Medal. He is a Progressive Melvin Jones Fellow.

In addition to his Lions activities, Director Cavallaro is active in numerous professional and community organizations. He has served as a board member for the Township Environmental Committee, the Center for the Blind and Visually Impaired, the CareLink mental health program and the Indian Guide Program. He is also the recipient of a Springfield Township Honorary Volunteer Award.

Director Cavallaro resides with his wife Michelle, a charter member of her Lions club. He has three children; he and Michelle share seven grandchildren.

Free and Easy way to raise funds for Mid South Lions Sight and Hearing Service

This is going to be the easiest thing we've ever asked you to do!

We're still using GoodSearch.com and now every time you shop online or search the internet, a donation will be made to Mid South Lions Sight and Hearing Service.

Here's how:

GoodShop.com works with more than 2,500 stores (including Target, Apple, PetSmart etc..) and every time you purchase something, a percentage will be donated to us! And, even more exciting, [GoodShop](http://GoodShop.com) also offers over 100,000 of the most up-to-date coupons and free shipping offers so you can save money at the same time. It's win win.

[GoodSearch](http://GoodSearch.com) is a Yahoo powered search engine which makes a donation to us each time you do a search.

Join the rest of our community in using these sites to help us easily raise money for our mission. Get started by clicking the "Become a Supporter" button on our profile page [here!](#)

Thanks for helping out. THIS IS FREE, FREE, FREE. I use it myself and can promise there are no hidden fees or agendas. It just helps you raise 1 cent for each time you search using GoodSearch. Think about how many Lions there are on the internet, and how many times each one searches for information. It doesn't take an advance degree in math to know that pennies add up. And we need all the help we can get for our waiting list patients NOW.

It doesn't take much time and very little effort to raise money this way. I don't understand why every Mid-South Lions supported doesn't use this EVERY DAY! I know I do. Please help.

Do you want to increase your membership, hold more lively interesting meetings, offer improved lion services to your community? If your answer is yes to any of these questions you should apply to take the CLUB EXCELLENCE PROCESS, a 4 hour workshop which can be completed in 4 x 1, 2 x 2, 1 x 4 hour sessions.

Top 10 Elements of a Healthy Club

1. LEADERSHIP: Strong, effective leadership by all officers is essential. Officers training to educate leader about proper procedure and leadership techniques.

2. HARMONY & FELLOWSHIP: Harmony among club members and officers allows fun and fellowship. The Tail Twister and the Lion

Tamer play a key role in setting the tone of the club meeting with a warm welcome, enthusiasm and fun at the meetings.

3. PARTICIPATION: All members (old and new) need to be encouraged to participate in club activities, committees, community service projects and fund raising. All members must be allowed to express their thoughts and offer fresh, new ideas. Updated Member Profiles are extremely valuable for insightful involvement.

4. PRIDE or TEAM SPIRIT: Members will feel pride in well-run meetings as well as in their club's ac-

complishments. Exciting things happen when everyone works together to reach a goal. Encouragement and recognition of accomplishments creates a team spirit. Club leaders arrange for a proper presentation that may include family members or fellow colleagues. The Club Secretary keeps good records and orders the awards that each Lions member has earned.

5. GOALS: It is very important to set SMART goals with a plan of action in writing.

6. PUBLIC RELATIONS PROGRAM: Consistent, enthusiastic and both internal and external.

7. FAMILY INVOLVEMENT: Regular social events involving family members create understanding and support. **SERVICE PROJECTS:** Keep projects contemporary and relevant with a community needs assessment. A Lions Club should have at least 3 projects a year. Service projects create interest and pride in the club, team spirit and positive public relations.

8. FUND RAISING PROJECTS: Strong fund raising activities are absolutely key to a successful club. Without funds a club is limited in support of community needs.

9. GOOD MEETINGS: Regular, adequate meeting place, good meals at a fair price, proper greeters, fun, unusual tail twisting, printed agendas, start and end on time. Hold separate Board of Directors Meetings from general meeting. There is nothing more boring for the general membership than to conduct business at your regular meeting.

10. GROWTH PROGRAM: A Lions Club that is status quo with growth is likely to go 'out of business'. A meaningful induction ceremony and an interesting Lions education program are vital to retaining growth.

Lions Clubs following these 10 elements should not have membership problems. Active, community minded men and women will want to join such a club.

RETENTION

If we take a few necessary steps when a new Lion joins our club, we can make a big impact in assuring that they will stay a Lion.

So what are some necessary steps?

1. An Orientation about your club and what it does, both before and after they become a Lion.
2. Make sure they have an Induction. They will be not only impressed but will remember it for many years.
3. Get them involved in Service Projects early.
4. Make them part of your Lions family by involving them with all members.
5. Make sure they stay active in your club from the beginning of their membership.
6. Make sure they have a mentor that will be working with them for at least the next year or more.
7. Don't be in a hurry to make them an officer or chairperson. Let them get their feet wet first.

Dear District Governor:

VOTING DELEGATES

Enclosed is a certified list showing the number of members in each club within your district that have been enrolled in the club for at least one year and a day, as of the first day of the month last preceding the month during which your convention is held. Use this list to determine how many delegates from each club in good standing are entitled to vote at your upcoming convention.

Delegates of clubs with unpaid balances due Lions Clubs International (LCI) cannot vote until you receive a check, money order or verification of payment for the amount due listed in column "F". Please follow your normal payment instruction procedures. Proof of payment must be sent to international headquarters at once so that the clubs receive proper credit. Payment instructions can be found on the LCI website. You may call the Accounts Receivable & Club Account Services Department at 630-203-3810 before your convention for an update on payments made by delinquent clubs. Dorota Komar is the main contact in this department for district conventions. Calling as soon as possible will help resolve payment issues.

Please be advised any Club that is placed on Financial Suspension prior to issuance of the Second Semester Per-Capita (January through June 2011), will be required to pay the past due balance in full, prior to being released from suspension, and will also be expected to pay dues to be billed for the second semester before a Good Standing is achieved. This amount is listed in column "E" on the certified list, "Outstanding Per-Capita Amount". All clubs must have their Per Capita paid in full prior to being certified to vote at district, (single, sub-, provisional, and multiple district) conventions. Good Standing can be confirmed by calling the Accounts Receivable & Club Account Services Department at 630-203-3820.

The format of the certified list has been upgraded to better accommodate the voting process and the confirmation of eligibility. Column "A" of the certified list reflects the category Voting Status*. The voting status* column determines the club's status as follows:

1 = Good Standing

2 = Club is currently in Status Quo

3 = Club is currently in Financial Suspension

4 = Payment required to attain Good Standing

** Amount in column "F" must be paid in order for the club to vote

Approval is required from International Headquarters in order to vote

(Please review the foot note at the end of the Certified List in bold)

DECEASED MEMBERS

The names of members in your clubs that have passed away in the past two years to the preceding month are also enclosed.

Please let us know if you need any other information for your convention.

Sincerely yours,

Re: Club Delegates

International By-Laws, Article IX, Section 3

The constitutional formula to determine the number of club delegates representing the club at the district (single, sub-, provisional, and multiple) conventions was changed effective with the 2000-2001 year.

Each club in good standing in the association and its district (single, sub-, provisional, and multiple) is entitled to one delegate and one alternate delegate for each ten members who have been enrolled in the club for at least one year and one day, or major fraction thereof, as shown by the records of the international office on the first day of the month last proceeding that month during which the convention is held. The International Constitution & By Laws further provides that each club in good standing shall be entitled to a minimum of one delegate and one alternate delegate at its district convention. The major fraction referred to in this section shall be five or more members. Any club newly chartered, and any other club that takes in new members prior to the convening of any such convention, shall have its delegate quota determined on the basis of members who have been enrolled in the club for at least one year and a day. Delinquent dues may be paid and good standing acquired at any time prior to the close of credential certification, as such closing time shall be established by the rules of the respective convention.

The International Board of Directors has issued the following clarifications on several special circumstances arising under this constitutional provision:

A transferee shall be counted as a member for the purpose of calculating the delegate entitlement of the club if the transferee has been a member of the receiving club for at least one year and one day.

A reinstated member shall be counted as a member of that club for the purpose of calculating the club's delegate entitlement provided that the reinstated member has been a member for an aggregate period or periods of not less than one year and one day.

A newly chartered club will be entitled to one delegate and one alternate delegate until it has been chartered for one year and one day. Thereafter, its delegate quota will be based on the number of members enrolled in the club for one year and one day.

Clubs being released from status quo or financial suspension will have their delegate quota based on the number of members enrolled in the club for at least one year and one day at the time of being released from status quo or financial suspension. However, a club being released from status quo or financial suspension will be entitled to a minimum of one delegate and one alternate delegate.

The following examples show how the delegate formula applies:

Example 1. A district will hold its convention in April 2011. A Lions club in the district has 25 members enrolled in the club for at least one year and one day as shown on the international office records of March 1, 2011. The club will be entitled to three (3) delegates and three (3) alternate delegates at the district convention.

Example 2. A district will hold its convention in April 2011. A Lions club with 23 members enrolled two (2) new members in March 2010 and reports the new members on its March 2010 membership report recorded at the international office on April 1, 2010. The club will be entitled to two (2) delegates and two (2) alternate delegates. Although the club had 25 enrolled members at the time of the district convention in April 2011, the newly enrolled members were not enrolled in the club for one year and one day as shown on the international office records on the March 1, 2011 international office record date.

Example 3. A district will hold its convention on April 15, 2011. A Lions club with 23 members enrolls two new members on March 31, 2010. The new members are reported on the club's March 2010 membership report recorded at the international office on April 5, 2010. The club will be entitled to two (2) delegates and two

(2) alternate delegates at the 2011 district convention. Although the club had 25 members enrolled in the club for one year and one day at the time of the convention, only 23 of these members were enrolled in the club for one year and one day as shown on the international office records on the March 1, 2011 international office record date.

Example 4. A district will hold its convention on April 15, 2011. A Lions club with 23 members enrolls two new members on February 1, 2010 and reports the new members on its February membership report recorded at the international office on March 5, 2010. The club will be entitled to three (3) delegates and three (3) alternate delegates at the 2011 district convention. On the March 1, 2011 international office record date, the club has 25 members enrolled in the club for at least one year and one day as shown by the records of the international office on the first day of the month last proceeding that month during which the district convention is held.

The International By-Laws, Article IX, *Section 3* provides for the qualification of delegates to the District Convention as follows.

“Each chartered club in good standing in the association and its district (single, sub-and multiple) shall be entitled in each annual convention of its district (single, sub – and multiple) to one (1) delegate and one (1) alternate for each ten (10) members who have been enrolled for at least one year and a day in the club, or major fraction thereof, of said club as shown by the records of the international office of the first day of the month last preceding that month during which the convention is held, PROVIDED, however, that each such club shall be entitled to at least one (1) delegate and one (1) alternate, and FURTHER PROVIDED, that each district (single, sub-and multiple) may, by express provision in its respective constitution and by-laws, grant full delegate status to each past district governor who is a member of a club in such district independent of the club delegate quotas herein-above specified. Each certified delegate present in person shall be entitled to cast one (1) vote of his/her choice for each office to be filled by, and one (1) vote of his/her choice on each question submitted to, the respective convention. The major fraction referred to in this Section shall be five (5) or more members. Any club which is newly chartered, and any other chartered club which takes in new members prior to the convening of any such convention, shall have its delegate quota determined on the basis of members who have been enrolled in the club for at least one year and a day as shown on such record date in the records of the international office. Delinquent dues may be paid and good standing acquired at any time prior to the close of credential certification, as such closing time shall be established by the rules of the respective convention.”

“Proxy voting is strictly prohibited in Club, District (Single, Sub- and Multiple) and Association affairs.” Article VI, Section 5 (International Constitution)

RE: CLUBS BEING “IN GOOD STANDING”

Interpretations adopted with regard to the meaning of “Clubs In Good Standing,” to be used in connection with sending certified lists of members and accounts to the District Governors for qualifying delegates at District Convention.

Current per capita tax must be paid in full.

Old balances of more than \$50.00, ninety (90) days past due, must be paid.

Entrance fees for new members affecting voting strength of more than one (1) delegate must be paid.

LIONS CLUBS INTERNATIONAL RESERVES THE RIGHT TO DETERMINE WHETHER OR NOT A CLUB IS “IN GOOD STANDING” IN CASE ANY CONTROVERSY SHOULD ARISE.

NOTE: The above applies only to certification of delegates at your District Convention. It has no bearing as far as your qualification for the District Governor Excellence Award.

We hereby certify that the number of members shown on the attached list represents the membership reported by the clubs who have been enrolled in the club for at least one year and a day on or before the first day of the month last proceeding the month in which your convention is being held.

This certified list includes all clubs recorded as of the cut-off date shown above. New clubs approved by Lions Clubs International after the cut-off dates are entitled to one delegate and one alternate. Status Quo clubs are ineligible pending reorganization or return to Good Standing. Member counts shown above are based on members that have been in the club for one year and one day as of the cut-off date. Any member that transfers into the club within this time frame is considered ineligible. Clubs with a zero member count have formed within the year and a day time-frame. They are entitled to one delegate and one alternate providing they meet the club "In Good Standing" Policy.

Community Volunteer Work that Makes a Difference

Right now, Lions are performing volunteer work to improve communities around the world. We're meeting to plan a local project. We're sponsoring international exchanges for young people. We're bringing clean drinking water to a remote village. We're building. We're sharing. We're repairing. And we're having fun.
