## Welcome new member, *Lion Don Draper*

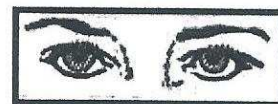

Donald C. Draper is to be inducted today as a new member of our Club. He and his wife, Joann, live at 49 Almazan Way. Phone no. is 501-226-5257, and E-mail is: don.c.draper@suddenlink.net.

Don's sponsor is PP Lion Steve Oldham.

## OUR TENTH YEAR of VISION PHOTOSCREENING

PP Lion Steve Oldham will soon be contacting some thirty preschools and Head Starts to schedule dates to vision screen preschool age children. This will be the 10<sup>th</sup> year that HSV Breakfast Lions will again screen over 600 kids.

Usually about 6% of them are referred to have a thorough exam by an eyecare professional because the special photograph taken of the child's eyes shows a probability of one of six correctible vision problems. Many of these vision ailments are much easier to correct at an early age.

*GO FOR IT!*

## FIND MORE GOLFERS

The call is out for golfers to sign up for the HSV Breakfast Lions Golf Scramble on Sat., Sept. 11<sup>th</sup>. Response to date is slow, but we all can help.

Even if you are not a golfer any more, you know many who are: They live on your street; They are members of your church; or Perhaps your "cousin Freddie and his wife Sal" (who are golfers) are visiting you the weekend of the Scramble.

Pick up a couple of entry forms today, and ask folks to *"Play a round with us."*

**...and remember...**to sell your Tournament Drawing tickets @ \$1 each or six for \$5, and then - pick up more to sell!
