## GOOD MORNING LIONS & GUESTS!

*Our speaker this morning is our own Lion Shirley Koonce, who has been an avid recycler for many years, and wishes everyone would be one. Her topic is simply:*

### **Prospective Members Wanted!**

There are **4** more meetings to which you can invite a prospective member, with your guest getting a free breakfast (as usual), but your breakfast will be free, too! Yours will be a credit on your next quarterly statement. You will be offering someone else the opportunity to enjoy and participate in the greatest service club in the world!

*From that great political sage, Will Rogers:*

1. Long ago when men cursed and beat the ground with sticks, it was called witchcraft. Today it is called golf.
2. Never slap a man who's chewing tobacco.

## A Letter From Lion Ken

Fellow Lions:

I would like to express my sincere thanks and appreciation for the wonderful experiences I enjoyed during the ten years I was a member of the Breakfast Lions Club.

My association with the members and opportunities to serve was of great satisfaction to me. The Breakfast Lions Club is a very special Club with talented members who are willing to give of their time for service to others.

The volunteers for the Vision Screening Program and the Fund Raisers are to be commended for their outstanding contribution. As I have mentioned in the past, the members of "Behind the Scenes", who continue to do their job, year after year without being mentioned, play a major role to the success of the Club.

I am very grateful to have been a member of the Breakfast Lions Club and will always cherish the time I spent with the Breakfast Lions. I wish you great success in the future, and remember that Helen Keller named the Lions "Knights of the Blind".

Sincerely,  
Lion Ken Schierling

### Chili Day

Chairman Lion Dave Salmen asks that if you have worked on **Chili Day** last year, but cannot help this year, on March 12<sup>th</sup>, to let him know. It is important that we all help "feed the Villagers" that day, which provides an important part of our funding for the sight-related charities and activities we support.

He will hand out job assignments and tickets at our next Club meeting.
