You have received tickets for the drawing which will take place at our GOLF SCRAMBLE on October 13. Revenue from this drawing is an important factor in making our Tournament a success. Don't put them away, start selling them to friends and neighbors. You have time to sell a lot of tickets. Turn in your money to Lion Pat McCullough and get more tickets from him. There are always some great prizes to win and this year with our joint effort with the Evening Lions, the drawing and prizes will be that much better.

Monday June 27<sup>th</sup> Helen Keller's Birthday is a day is to honor Helen Keller and her devoted teacher Anne Sullivan, two incredible women who showed us how much an individual can accomplish even with severe handicaps as Helen Keller had being both blind and deaf. A Helen Keller Quote: "I am only one, but still I am one. I cannot do everything, but still I can do something; and because I cannot do everything, I will not refuse to do something that I can do."

A duck walked into a hardware store and asked the owner "do you have any duct tape". The owner said "NO". This went on for several days with the duck asking the same question and getting the same answer. Again, the duck went in and asked "do you have any duct tape". The owner said "NO!! and the next time you ask I am going to nail your feet to the floor. The next day the duck came in and asked "do you have any nails". The owner said "NO" and the duck said "do you have any duct tape".
