1,804 EYEGLASSES equals a lot of IMPROVED VISION

We collected 1,804 eyeglasses and 818 cases in the 2010-2011 club year. The glasses and cases are sent to Dr. Clem in Hot Springs. He does necessary repairs and sends them to Africa and China. Also on a side deal, I sent 50 of them to Puerto Rico.

I thank all Lions who helped in this program, especially Lion Dick Bracewell. Due to Dick's illness, my new assistant is Lion Dottie Stewart.

I have been told by several people who have been to Africa, that eyeglasses are like gold there!

Thanks for all your help!

—Eyeglass Chairman, Lion Dave Salmen

Lions PDG John and Wanda

Barnett are featured in an interesting article on pages 16-21 in the June, 2011 *Lion*. It tells how each of five married couples are serving as Lions, each in their way.

Lion John was 7-L District Governor in the 1998-99 Club year. Our district had a net gain in membership that year, which was just one indication that he was an effective governor.

Lion Wanda works in the state Lions office and keeps it humming!

Note from PP Lion Ken Schierling

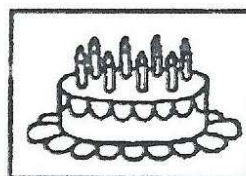

Since I went on Member-at-Large status last winter, I was very surprised to receive the Breakfast Lions Club Eye Opener newsletter by mail each month. I really appreciate the efforts by Jim and Josie Farrell, who work behind the scenes and mail out the Eye Opener to everyone on the Member-at-Large list.

This is a truly wonderful way of keeping up with what is going on with our Club when we are unable to attend the meetings. The Breakfast Lions Club has so many members that do their job without any recognition, and this is why our club is so successful.
