Golf Scramble Date Changed

The date for the Golf Scramble has been changed to **Thursday, Sept. 27th** at Magellan. This change was made when it was learned that the POA is planning tournaments each day during the week following our original date of Thursday, October 11th.

There is, at present, an option to begin play in the morning, or in the afternoon, on the September date.

Camp for Blind a Success

"We had a great week!" Camp Director Lion Norine Westerbeck said. There was a total of 72 campers, 10 more than last year. 14 were here for the first time, one of whom came from Toronto, Canada!

Campers loved the lawn bowling as a new activity Westerbeck said. She would like to thank all who helped out at the Camp and with the many activities, both on and off-campus.

Wal-Mart Foundation Application Status Announced

We should receive a response to our club's application to the Wal-Mart Foundation for partial funding for the purchase of vision screening equipment by sometime next week. If approved, either fully or partially, their check will follow in thirty days.

How about a "Feel Good" Story?

A Village resident mailed our Club a \$50 check payable to HSV Breakfast Lions Club. There was no explanation either on the check or with it.

Since that amount happens to be the cost of a one-inch column ad in the *Resident & Visitors Guide*, the check was forwarded to Lion Steve Seitz, who records payments for ad sales. It did not match any ad sale account, paid or unpaid, and no one else had an answer, so Steve called the gentleman.

Steve asked why he had sent us the check. He said it was "**because he appreciated all the work we do on this project.**"
