Please, inform Helen VanStone, 922-0024(enots18@gmail.com) of any illness among our members or family. Good news is welcome, also.

Lions prepare for Annual Golf Scramble

Room for more foursomes

Anyone who does not have a work assignment for the golf scramble on Sept. 27th should see or call: Lion Bob Lee for on-the-course tasks—or—Lion Bob Anderson to help with after-the-event activities at Balboa Pavilion.

There is room for more four-somes to play in the scramble. See Lion Al Becker for an entry form.

So why doesn't Buick rhyme with Quick?

What's It Worth??

Breakfast Lions start new project

Someone two or three generations ago in your family gave your uncle something, who later gave it you. You may not know quite what it is, let alone where it originally came from or whether it has some value. It is rare? Is it genuine or a copy? "What's It Worth?"

Maybe you have an item that a generation or two ago served a very important purpose, but now has value to you because it reminds you of family members who used that item. So now you are a little curious..... "What's It Worth?"

On Oct. 23rd, our Club will provide an opportunity for Villagers to answer that question. Experts in many kinds of antiques will be available to give an opinion of the value of items brought to them. This will not be an appraisal, but a verbal opinion, and will not be written or signed. Cost will be \$5 for each item.

PP Lion Bud Holt heads up a group of your fellow Breakfast Lions for this activity. Stay tuned for details, and to learn how it might help you or your *neighbors find out*..... "What's It Worth??"

HSV Breakfast Lions Board of Directors Actions:

At its last meeting, the HSV Breakfast Lions Board of Directors took the following actions:

- ♦ Voted to continue *the Resident & Visitors Guide* for 2013. Lion Pat McCullough will serve as Project Director, which will be his final year, and will train a successor for the position.
- ♦ Decided not to participate in the Health Fair this year, due to lack of positive contacts at the Fair last year. It was noted that Lion Nancy Otto will not have a booth for FOCUS this year. The Club could consider being a part of the Health Fair in future years, with a modified approach regarding goals and booth

October Birthdays

5 – Don Levac

8 – Chuck Floy

First POA/Presidents' Council held

The proposed Hot Springs hospital merger was the major topic of the initial Council meeting last week. Mike Wiechart, Senior Vice President and Chief Operating Officer for Capella, gave the major portion of the presentation. Tim Johnson, President, Mercy Hospital, and Jerry Mabry Chief Operating Officer, NPMC, also spoke. All then answered questions.

Other speakers were Scott Randall, POA General Manager, who talked about both the proposed 2013 Operating Budget and long-term strategic planning for the Village.

Dannet Botkin, POA Marketing Manager shared some of the marketing efforts during her first 11 months here.

Lion President Dick Pratt attended, and appreciated the presentations. He encourages the attendance of our President or a representative when the future semi-annual events occur.

Why is it that writers write, but
fingers don't fing, grocers don't groce,
and hammers don't ham?

How can a slim chance and a fat
chance be the same, while a wise man
and a wise guy be the opposite?
