## PDG Lion Bruce Davis installed new officers on July 11.

The Breakfast Lions Installation of Officers for the 2013-2014 Club year provided a key word for each individual elective office and its candidate that was also a brand of candy bar. And each installed officer received a bar of that candy from PDG Lion Bruce Davis.

This was a novel, but meaningful (and humorous) way to do an officer installation, which had also been done here some years ago.

**Some Missed Their Candy Bar** Those installed included (front row, seated), Bob Lee, Carl Foreman, and Chuck Floy, 3 of the 4 who will serve as president; Hal Goss, treasurer; (back row, standing) Nancy Otto, director; Randy Jones, director; Bob Anderson, 3<sup>rd</sup> vice president; Don Draper, 1<sup>st</sup> vice president; PDG Lion Bruce Davis; George Kittner, tail twister; Jerry Peckenpaugh, director; and Ronnie Carroll, tail twister.

## Breakfast Lions/B&G Club Golf Scramble is Saturday, October 5

You could say, this is different strokes with different folks...it is a different partner, and a different golf course, and a different day of the week. It will be a scramble with three or four flights. Details will be available at the July 18<sup>th</sup> meeting.

Of course, our work assignments will be similar. We'll begin with soliciting sponsorships from businesses. So be ready to take some names and make those calls.

We look forward to this association with the Boys and Girls Club.

### August Birthdays

9 – Dale Bendixen (#90)

10 – Linda Beckham

13 – Hal Goss

15 – Suzanne Cain

24 – Robert Lee

## Note to Guide Sales People :

For advertisers who purchased display ads, a supply of Resident & Visitors Guides will be available at our meeting on July 18<sup>th</sup>. You can contact your display advertisers to show them their ad in the Guide, and thank them for their support.

### *Thoughts for the new Club year*

We are beginning the second consecutive year that the office of President of our Club is being served by Past Presidents on a quarterly schedule. Average ages: last year, 81, and this year, 76. All eight have served their one-year term as President of this Club sometime in the past 16 years.

Is this provisional plan working? Yes – and we are glad it is!

What as Club members can we each do to help each President this year?

1. Where possible, give our leader some preparation time, by promptly submitting reports, announcements, etc., that he needs from any of us for each Club meeting or Board meeting.
2. Send, or hand to him, such information in print form or in legible writing.
3. Should he forget something, speak to him, call or e-mail him, to remind him.

This is basic stuff, but helpful, when hearing and/or sight and/or memory is diminishing.

*This is the true joy in life, the being used for a purpose recognized by yourself as a mighty one; the being thoroughly worn out before you are thrown out on the scrap heap; the being a force of nature instead of a feverish little clod of ailments and grievances complaining that the world will not devote itself to making you happy.*

—George Bernard Shaw
